

SPECIAL NOTE:

Cabinet can be pre-assembled then installed onto wall with wall mounting bracket.

OR

Cabinet can be assembled piece by piece directly onto the wall (still using wallmount bracket) as per separate cabinet assembly instructions attached.

CUTOUT VIEW

ASSEMBLY INSTRUCTIONS:

- 1) Install wallmount bracket (Item 2) to desired location on wall using lag bolts supplied.
Ensure bracket is fastened securely to support fully loaded weight of cabinet.
- 2) Lift WMC cabinet (Item 1) and slide into protruding studs on wallmount bracket. Fasten securely using nuts supplied.
